

WP 1409

PLASTIC CLEANER

Designed specifically for cleaning plastic trim on boats, yachts and other vehicle types

BENEFITS

- Cleans and rejuvenates plastic surfaces and trim.
- Leaves a lovely shine that offers some protection from the elements and UV rays.
- Easy to use. Simply spray and wipe for effective results.
- Bio-degradable.

PRODUCT SIZES

- 750 ml spray bottle
- 3.25 litre refill

DESCRIPTION

Professional formulation for the quick and effective cleaning of boat and yacht plastic trim (inside and outside) subjected to the elements or simply looking tired.

Wessex Plastic Cleaner lifts off dirt, grime, grease, mould, greening and bird lime. Great on the inside and outside of cars and any other plastic trim in need of rejuvenation.

Wessex Plastic Cleaner can be used for cleaning your boat in and out of the water without environmental concerns.

INSTRUCTIONS FOR USE

Supplied in a ready-to-use formula.

Shake bottle well.

Simply spray and wipe clean with a non-scratch cloth.

Can be used with one of our microfibre cloths for excellent results.

Use a second cloth to buff the surface to a shine.

Do not dilute with water as this makes product less effective.

PHYSICAL PROPERTIES

Colour: Pink, milky.

Appearance: Liquid, opaque.

Odour: Odour relevant to fragrance.

Pleasant (perfume).

Solubility: In water, the material disperses.

Boiling point: No data available.

Flash point: >60°C
